

BOOTHBOX™ CORNER MOUNT

PATENT PENDING

BY KARAJEN CORP.

BOOTHBOX™ is the Karajen Corp 'original', corner-mounted cabinet designed specifically for auto body and industrial spray booths. BoothBox™ is easily accessible, in the corner, while being completely out of the painter's working area and walking space. BoothBox™ allows for free passage of airflow due to its mounting features, shape and size. BoothBox™ will minimize dust and over-spray from collecting on both the cabinet, and your costly supplies.

BOOTHBOX™ Corner Mount offers the following features:

- **CORNER MOUNTED, FOR EXCELLENT SPACE SAVING AND POSITIONING**
- **EASILY REMOVABLE FOR BOOTH CLEANING, JUST LIFT UP AND OUT OF THE MOUNTING BRACKETS**
- **OPEN SPACE OF 1" BETWEEN CABINET AND WALL, FOR FREE PASSAGE OF AIR FLOW**
