

BOOTHSHELF CM™

BY KARAJEN CORP.

The BoothShelf CM™ is a Corner Mounted shelf and spray gun holder combination, designed for the Automotive Paint Industry and other related painting and industrial applications.

The BoothShelf CM™ provides a place to store your needed items while in the spray booth, such as razor blade, dirt pick tools, spray guns etc. You can also do your mixing and refilling on the corner mounted BoothShelf CM™. The BoothShelf CM™ bolts on to the wall in any corner of the booth.

The wall must be at least 16" deep from corner- to accommodate the BoothShelf CM™.

BOOTHSHELF CM™ offers the following features:

- **BOOTHSHELF CM™ IS VENTED, TO ALLOW AIR TO FLOW THROUGH IT AND TO AVOID POCKETING OF OVER-SPRAY**
- **3 SPRAY GUN POSITIONS, ACCOMMODATING STANDARD GRAVITY GUNS OR A MINI TOUCH UP GUN**
- **SOFT EDGE GUARD ON GUN HANGERS TO ELIMINATE DAMAGE TO SPRAYS/GUN CUPS**
- **BOOTHSHELF WM™ IS BUILT OF STURDY 16 GAUGE STEEL WITH A DURABLE POWDER COATED FINISH**
- **DIMENSIONS: 12 ½" DEPTH FROM BOOTH CORNER TO FRONT OF SHELF, 21" WIDTH AT FRONT OF SHELF, SHIPPING WEIGHT IS APPROXIMATELY 5 LB.**
